

The Clifton Club

Application for Membership

Clifton Club Nominated Membership (Route A)

Proposers and seconders provide their signature to the applicants' form in order to 'nominate' them for full membership. Proposers and seconders must have known the applicant for a minimum of 2 years, and hold a full valid Club membership.

When complete, the application form will be displayed in the prospective Members' book in the Drawing Room for a minimum of 21 days. This gives any Members who know the applicant, the opportunity to state their support or otherwise in writing to the membership secretary. The application, and any comments from the Membership, will then go before the Board of Directors for consideration. At any stage a candidate may be asked to meet with a Club Director.

Clifton Club Provisional Membership (Route B)

This route is taken where a prospective Member is unable to gain nomination from a proposer and seconder. All applicants for provisional membership must meet with a Club Director or member Membership Committee for an interview, who will provide sign off on the application form.

On receipt of a completed application form and payment as detailed below, provisional membership is granted, and the form will be displayed in the Club prospective members' book in the Drawing Room for the four month probationary period. This gives any Members who meet the candidate during this time, the opportunity to state their support or otherwise in writing to the Membership Secretary. During the four month provisional period, two signatures must be obtained from club members (thereby the provisional member has secured three 'endorsement' signatures – one on application and two during their probationary period-at least one of these three signatures should be a Club Director)

The application, complete with three signatures, and any comments from the membership, will then go before the Club Directors for consideration of full membership. At any stage a candidate may be asked to meet with a member of the Board of Directors for an additional interview.
