# Application For Membership

We are delighted that you are interested in becoming a Member of The Clifton Club. The Membership application process at The Club is testament to our 200 year tradition. There are two "routes" of Membership Application, a **Nominated Membership** application, whereby the applicant has been referred for Membership of The Clifton Club by two existing Members, or alternatively, if you are new to The Clifton Club, a **Provisional Membership** application is required. Please complete both the **Personal Details** section of this Application Form and also either a Nominated or Provisional Membership **Applicant Profile** section.

All Membership applications are to be submitted to the Board of Directors for their decision to elect applicants to Full Membership Status. Payment for any Membership Fees and Joining Fee become due upon submitting an Membership application and must be settled before submission to The Board of Directors for election to Full Membership status. Membership Cards are provided to all applicants upon submission of a completed Membership Application Form and payment of Membership Fees and Joining Fee. Applicants are unable to make use of the Reciprocal Clubs with which The Clifton Club is affiliated, or, participate in General Meetings of The Club until their application has been elected to Full Membership status by the Board of Directors.

### Nominated Membership Application

Applicants are required to complete a Nominated Membership Application Form. The Applicant Profile section will be displayed in The Club for a minimum of 28 days for Members to view before being presented to The Board of Directors to vote upon their election to Full Membership status. Members of The Club may make known to The Club Office any objections which they may have to an applicant becoming a Full Member during this period. All Nominated Membership applications require a Proposer and a Secunder from the existing Members of The Club. The Proposer is required to have been a Full Member of The Club for a minimum term of 3 months and the Secunder having been a Full Member for a minimum term of 2 years. Both the Proposer and Secunder must have known the applicant for a minimum of 2 years.

### Provisional Membership Application

Upon submitting a completed Provisional Membership Application Form, the Applicant Profile section will be displayed in The Club for a minimum of 2 months for Members to view before being presented to The Board of Directors to vote upon their election to Full Membership. During this time, Members of The Club may make known to The Club Office any objections they may have to an applicant becoming a Full Member of The Club. Additionally, all Provisional Membership applicants are required to meet with a representative of the Membership Committee or Director of The Club and achieve two endorsements from current Members of The Club, who have been Members for a minimum term of 2 years. Our Membership team would be more than happy to assist you in arranging these informal meetings, which can be held over a drink in The Drawing Room Bar.
