

The Clifton Club

MEMBERSHIP & FACILITIES

The Clifton Club

The Clifton Club is Bristol's oldest existing Private Members' Club located in a glorious Georgian building in the heart of Clifton Village. Traditional elegance and grand interiors provide exquisite surroundings in which male and female Members of all ages can relax and socialise with like-minded people. The Clifton Club also offers modern facilities, high quality food and enviable customer service, resulting in a truly exclusive experience for every Member.

Founded by a group of gentlemen in 1818, the Club boasts a fascinating history. For many, Membership represents the opportunity to become part of this history and thus exclusivity is crucial to maintaining the high standards that are inherent to the Club's existence. The Club prides itself on its ability to offer a Membership experience that combines an appreciation of tradition with a contemporary outlook.

Rooms & Facilities

The Club offers a unique collection of rooms and facilities with Wi-Fi throughout.

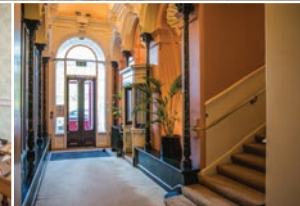

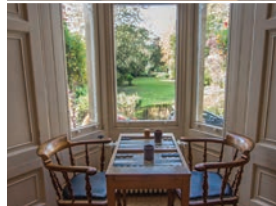

The **Drawing Room Bar and Lounge** overlook Caledonia Gardens and provide the perfect retreat away from the busy streets of Clifton village.

The wonderfully impressive **Dining Room and Centenary Rooms** are filled with natural light through the domed ceilings.

The splendid **Greenway Room**, named after the designer Francis Greenway, is bright, airy and spacious.

The **Snooker Room** features two full sized snooker tables.

The **Club Room** can be used either as a tranquil haven or a social hub for activities and events.

Becoming a Member

There are two ways in which prospective Members can apply for Membership of The Clifton Club. The traditional route is through recommendation by two individuals who have been Members of the Club for three years or more. In this case, one Member must act as the proposer and another as a seconder. Alternatively, it is possible to take up probationary Membership which involves an initial trial period of four months, after which the application will be reviewed and the Member can be fully elected.

Incentives

If a new Member is introduced to the Club by an existing Member, as a thank you, the Club will reward the Member responsible for the introduction with credit on their account. Terms and conditions apply.
